Leadership and the EAU

Special session

**Location:** Room Paris (Hall B2, level 0)

**Chair:** J.P.M. Sedelaar, Nijmegen (NL)

**Aims and objectives of this presentation**
To give the participants an insight in how the EAU is structured, how you can get involved in EAU activities and the importance of contemporary medical leadership. The EAU is always looking for new ways to get the members involved in the new development. The development of specific leadership-qualities could be very helpful in the coming future of the EAU.

**10:00 - 10:30**

*The structure of the EAU and possibilities for involvement in the EAU*

J.P.M. Sedelaar, Nijmegen (NL)

**10:30 - 12:00**

*Contemporary Medical Leadership, what makes a leader, different leadership styles, specific competences of Medical Leadership*

H. Rijksen, Maarsbergen (NL)
